

1. INTRODUCTION

1.1. GENERAL:

- 1.1.1. Sail India is a non-profit organization that provides sailing opportunities to underprivileged youth. The organization was founded in 2003 by a group of sailors who wanted to give back to the community. Sail India offers sailing camps and clinics to youth from all over India. The organization also provides scholarships for youth to attend sailing schools. Sail India is committed to providing opportunities for youth to develop their sailing skills and to learn about teamwork, leadership, and perseverance.
- 1.1.2. Sail India believes that sailing can be a powerful tool for social change, and that it can help young people to develop confidence, teamwork, and leadership skills.
 - 1.1.2.1. SAIL produces high-quality steel that is used in a variety of industries, including construction, infrastructure, and manufacturing. This steel helps to build strong and durable structures that support economic growth.
 - 1.1.2.2. SAIL provides employment to millions of people in India. This employment helps to reduce poverty and improve the standard of living for many Indians.
 - 1.1.2.3. SAIL is a major contributor to the Indian government's exchequer. This revenue helps to fund important government programs that benefit all Indians.
 - 1.1.2.4. SAIL is committed to environmental sustainability. The company has implemented a number of initiatives to reduce its environmental impact, such as using renewable energy and recycling waste.

2. EXISTING FACILITIES

2.1. IMPLEMENTATION STRATEGY:

- 2.1.1. Sailing camps and clinics are a great way to learn the basics of sailing or improve your skills. They are typically offered during the summer months and can be found at sailing schools, marinas, and yacht clubs.
- 2.1.2. Scholarships for sailing schools are available to help offset the cost of tuition. They are typically awarded based on financial need, academic achievement, or sailing ability. Mentorship and coaching programs provide one-on-one instruction and support from experienced sailors. They can be a great way to improve your sailing skills and learn from the best.
- 2.1.3. Networking opportunities allow you to meet other sailors and learn about sailing events and opportunities. They can be found at sailing clubs, regattas, and online forums.
- 2.1.4. Access to sailing equipment and facilities is essential for practicing and competing in sailing. Many sailing schools and marinas offer equipment rentals and access to their facilities.

- 1) Check tire pressure and tread depth.
 - a) Inspect brakes for wear and tear.
 - b) Check fluids (oil, coolant, brake fluid, transmission fluid, power steering fluid).
 - c) Inspect belts and hoses for cracks or damage.
- 2) Rotate tires.
 - a) Check windshield wipers for wear and tear.
 - b) Get an oil change.
- 3) Get your car inspected.
 - a) Check the quality of the steel produced by SAIL.
